

Safety Policy

Every AQ STG employee is responsible for building and maintaining safe and hygienic working conditions to prevent work-related injuries and health conditions.

We commit ourselves to:

- meeting legal and other requirements
- eliminating hazards and reducing occupational health and safety risks
- continuous improvement of the occupational health and safety management system, prevention of accidents and occupational diseases as well with the participation of all employees
- consultation and participation of employees or their representatives

Thanks to this, we will achieve ZERO ACCIDENTS
